Dear Rosa, Fortunato, Eddie, Septo 2/15/19
& Kerry -

I can't thank you all enough for your thoughtfulness
& efforts in making the Luncheon for my dad's funeral,
perfect for mom & our family.

It was warm, sensitive, supportive & of course delicious.
As we always say, it's the next best thing to being in our
own home.

Rosa, it was heartwarming to have you take the time
to come to dad's wake. You & your staff go way above &
beyond serving good food. Your efforts are filled with love.
Thank you -
