Dear Fortunato:

Re: 50th Wedding Anniversary Party – June 23, 2018

My wife and I would like to thank you, Eddie and your servers for making our party a big success. Our guests were extremely impressed with the quality of your food and the excellent wait-staff service.

During my career as a sales and marketing executive in the wine industry, I ran wine tastings & dinner events in some of the finest restaurants around the country. In some cases, the restaurants did not meet the standards of their reputation. In other instances, the event was a disappointment because the food was mediocre and/or the service was lacking. You and your team excelled in everything.

Based upon the positive feedback from our guests, many will return to Mamma Rosa and become frequent diners.
